

**EPA Student Internship
Spring 07 Program
Open Interview Information and Schedule**

Open Interviews are designed to allow the greatest amount of flexibility to applicants in regards to current semester schedules. Application deadline for the current internships is Monday, October 2. However, “day – of” applications will also be accepted during the Open Interview sessions. Simply bring your application package in for review at the interview. Candidates who submit their package prior to October 2 shall also utilize the Open Interview session to attend an interview that best meets their schedule. Please feel free to contact Engineering Extension with any questions concerning this process.
